

WHATSAPP

WhatsApp is a mobile application that is used by millions of people all around the world for casual conversations with their contacts. Conversations are not necessarily text oriented; WhatsApp allows the users to share media and documents as well. It is similar to Facebook's Messenger app, however here, the users are connected by means of their mobile phone number and not an email.

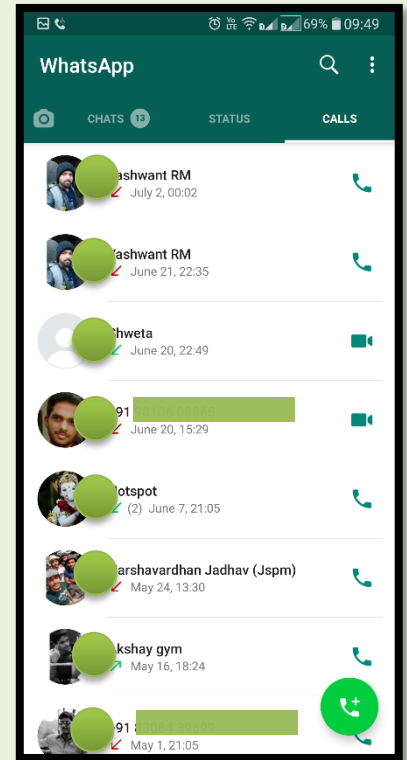

Mobile Interface

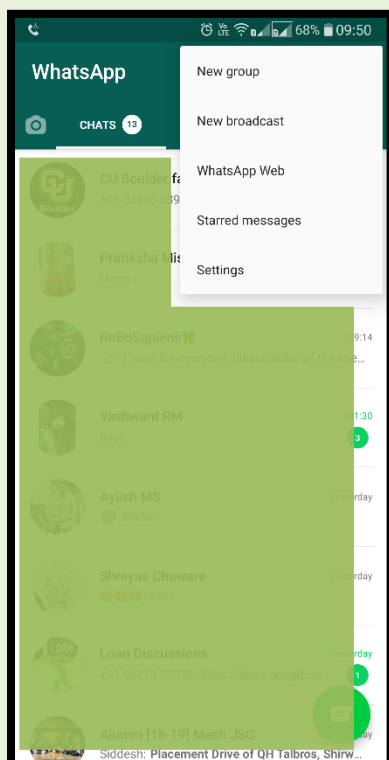

I) Chats Tab

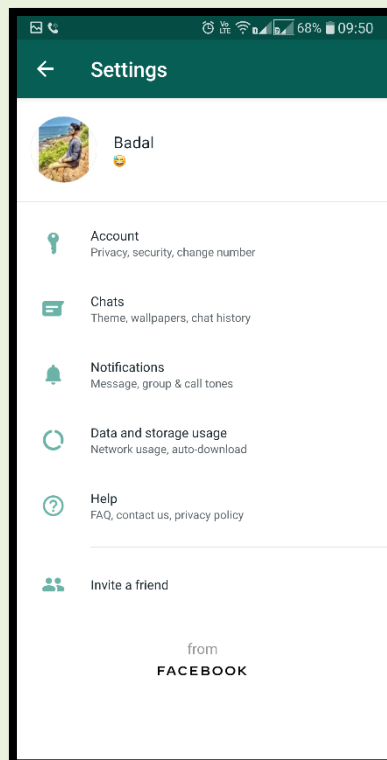

II) Status Tab

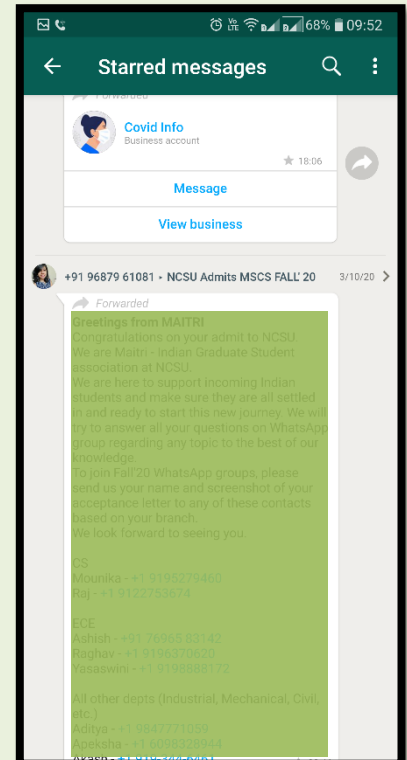

III) Calls Tab

IV) More Options Button

V) Settings Tab

III) Starred Messages

OPERATION NAME	DESCRIPTION	Website	Mobile
Chats Tab	Here a user can access all the on going conversations with contacts or in groups.	✓	✓
Status Tab	All the current updated stories, that last for 24 hours are shown in this section.	✓	✓
Calls Tab	WhatsApp allows the users the talk on call via an internet connection, the call history is located in this section.	✓	✓
